DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Lawrence Ashery on 11/6/07.

The application has been amended as follows:

a) Please delete claim 11, and replace with the following: --

11. A method of equalizing the data eye of a differential input data signal according to claim 10 wherein the Bit Error Rate of the serialized differential input data signal is measured at selected sampling points across the data eye of the serialized differential data signal in time. —

Allowable Subject Matter

2. Claims 3-6, and 9-12 are allowed.

3. The following is an examiner's statement of reasons for allowance:

None of the prior art teaches or suggests a data link communication system as the current application. In specific, the communication system comprises a transmitter, receiver, and data link. The transmitter includes the means for generating a reference signal related to a common mode of the serialized differential input data signal; means

for comparing the reference signal with a feedback signal to develop a difference signal representative of the difference between the reference signal and the feedback signal; a driver circuit having a variable, frequency selective gain to which the serialized differential input data signal is conducted; and means responsive to the difference signal for controlling the amplification of the driver circuit to alter the data eye of the serialized differential input data signal.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
